## Project Title: Fred Beckey (famous Mountaineer) Website

I'd like to build this site possibly as a horizontal scroll to showcase the vast scale of mountaineering achievements/ascents that Beckey completed over the course of his life. I will have a navigation at the bottom that shows where in the history of Beckey's life on is on the page. The page will have lots of photos of Beckey's ascent and play a bit to the rebellious/dirtbag nature of his life

- **Introduction** – Introduce the climbing legend known as Fred Beckey, and give a bit of a hint as to what the viewer can expect scrolling through the page.
- **Early life**
- **Early Ascents**
- **FA's and writing of Guidebooks**
- **Who was Fred Actually**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
